Plymouth Yacht Club Junior Sailing Program

34 Union Street
Plymouth, Massachusetts 02360

Dear Junior Sailors and Parents:

As the 2008 sailing season approaches, the Regatta Committee and instructors have already been hard at work getting things in order for another successful, and fun, summer on the water. This season looks to be as exciting as last year, and the Plymouth Yacht Club will again host their own Regatta, providing a wonderful experience for sailors and parents alike with opportunities to participate at all levels, from organizing, to setting up, to racing with your friends and classmates.

We are also pleased to note that through the efforts of last year's committee members, and the Executive Committee, the Mate 1/Mate 2 Pram Program will have an additional five new prams; this will ensure that all participants will have adequate sailing time on the water.

To encourage new sailors, we are again encouraging each of you to invite a friend along to be part of the PYC sailing experience. Remember, your friend does **not** need to be a club member to sign up. When he or she does, your parents will save \$50 on your registration fee!

Parents: Enclosed are a **Registration Form and a Medical Health Questionnaire Form**. Please fill them out and return them by May 15st and you can deduct \$20 from your total cost. Receiving these forms early is very helpful to the committee in organizing the classes and number of participants, so please get them back to us as soon as possible. Additional forms and information are available on our website at www.plymouthyachtclub.org.

The **Kick-Off Cookout** hosted by the Junior Liaison Committee is scheduled for Wednesday, June 18th at 5 PM. It is immediately followed by the **Parent Orientation Meeting** at 7 PM. It is very important for all parents to attend this meeting and that is why we make it mandatory to attend; we would greatly appreciate your presence. Come meet our program director, Colleen Kelley, and all the other instructors, many who have returned from last season.

The sailing **classes will begin** on Monday, June 23rd and end on Friday, August 22nd.

The **Commodores Dinner and Awards** will be on Sunday, August 24th at 4 PM.

The sailing program at Plymouth Yacht Club has continued to grow in popularity, expertise and level of commitment to the sport, and with your child's participation, we anticipate it will continue to do so. Consider that the club has a practically new fleet of all classes and levels of boats and you will be hard pressed to find a more enjoyable way (and place) for your kids to spend the summer with their friends and crewmates.

The program and committee members are here for you and your children, so please don't hesitate to ask us questions, or come to us during the season with comments or suggestions. The best time and place to find us? - Every Wednesday evening at the Junior Cookout; we'll be there, we hope you will be too.

Sincerely,
PYC Regatta Committee
Robert Reifeiss, Chair
